Allergens and Intolerances: All of our dishes are prepared in kitchens where allergens are present and where fresh food is prepared. We use ingredients containing Gluten (Wheat, Barley, Oats) Eggs, Milk, Soy, Celery, Sulphites, Nuts, Peanuts, Fish, Molluscs, Crustacea, Mustard, and Sesame. Please note that not all ingredients are listed in our menu descriptions. We take all reasonable precautions when handling allergens, however, due to the possible risk of cross contamination, we are unable to guarantee the total absence of all traces of allergens in all dishes.

Our vegan friendly dishes (vg) are made to vegan recipes with non-animal ingredients but may not be suitable for those with milk or egg allergies. If you have particular dietary requirements or intolerances to allergens, we ask that you speak to a member of our team before ordering.

We are happy to prepare dishes with non-gluten-containing ingredients upon request but may not always be able to substitute all elements of a dish.

Whilst we take every care to remove them, Fish & Shellfish may contain small bones or pieces of shell.

All weights stated are approximate, pre-cooked quantities. Chicken & Steaks from Halal certified suppliers are available on request.
